In order to remain as an eligible DBE, your firm will be required to submit a Declaration of Eligibility and the firm's most recent Federal Business taxes to this office by your anniversary date of **June 27, 2025.**

Failure to submit the requested documents on an annual basis may result in the removal of your firm's DBE certification. The Declaration of Eligibility will attest to the fact that no changes have occurred that would affect your status as a Disadvantaged Business Enterprise and that your personal net worth has not exceeded \$2.047 million as required by federal regulations for economically disadvantaged individuals.

We will confirm that your business continues to remain under the business size limits as determined by the Small Business Administration and the DBE size limit of \$30.72 million dollars. This will be determined by averaging the firm's gross receipts over a three- and five-year period. The Office of Civil Rights will provide you with the appropriate forms at least 30 days prior to the anniversary date of your certification.

Should you experience any changes in ownership, management responsibility, specialty, address and/or telephone numbers, you are required to notify this office in writing within 30 days of the change. Failure to inform this office of a change may result in the removal of your firm from DBE certified status. As a certified firm, you are now eligible to receive supportive services through our Business Opportunity and Workforce Development (BOWD) Unit. For more information regarding supportive services, please contact our BOWD Unit at BOWD@ncdot.gov.

Thank you for your participation in the Disadvantaged Business Enterprise Program. If you have any questions, please do not hesitate to contact me at lpowell23@ncdot.gov.

Sincerely,
DocuSigned by:
